The Frankfort Commonwealth.

A. G. HODGES & CO., PROPRIETORS.

J. H. JOHNSON, Editor.

The Proprietors of the Commonwealth, grateful for the generous patronage which has been bestowed upon them, are determined to furnish their patrons a journal which shall be unequalled in any of the departments which comprise a first class newspaper.

Published at the Capital of the State, it will be enabled to furnish its readers with the latest intelligence of the actions of the higher courts and of the various departments of the State. It will also contain the latest telegraphic news of stirring events, and also of the New York, Cincinnati, Louisville and New Orleans markets.

In politics the Commonwealth will be conservative, occupying a middle and antagonistic ground in reference to the two extremes. The old parties broken up, and old issues virtually dead, the vital question at present is Union or disunion. The Commonwealth is for the Union, believing it to be the greatest safeguard for our rights, as well as our most effective auxiliary in our efforts to obtain redress for our wrongs. Its conductors do not regard disunion as a remedy for any of the wrongs of the South, but rather an aggravation. It will contend for the equality of the States in the Union, and for the absolute non-interference by Congress with the domestic affairs of the States and Territories.

We shall aim to make the Commonwealth an acceptable and appropriate bedside companion. It will contain selections from the choicest literature of the day, prose, poetry, &c.

The Weekly will be printed on extra double medium paper, in new and beautiful type.

Terms, in advance, for the Tri-Weekly, \$4 per annum.

Terms, for the Weekly \$2 per annum.

Fever and Ague,

from which mankind suffer over a large part of the globe, is the consequence of a diseased action in the system, induced by the poisonous miasm of vegetable decay. This miasm is evolved by the action of solar heat on wet soil, and rises with the watery vapor from it. While the sun is below the horizon this vapor impregnates the earth's surface, and the virus is raised with it through the lungs into the blood. There it acts as a stimulating poison on the internal viscera and excreting organs of the body. The liver becomes torpid and fails to secrete not only this virus, but also the bile from the blood. Both the virus and the bile accumulate in the circulation, and produce violent constitutional disorder. The spleen, the kidneys, and the stomach sympathize with the liver, and become disordered also. Finally, the action of our organism, as if in an effort to expel the noxious infusion, concentrates the whole blood of the body in the internal excretories to force them to cast it out. The blood leaves the surface, and rushes to the central organs with congestive violence. This is the Chills. But the miasm fails. Then the liver follows, in which the blood leaves the central organs and rushes to the surface, as if in another effort to expel the irritating poison which that other great excretory—the skin. In this also it fails, and the system, standing by its own exhaustion, waits for the recovery of strength to repeat the hopeless effort another day. These are the fits or paroxysms of Fever and Ague. Such constitutional disorder will of course undermine the health, and shorten the life.

We are allowed to find, and have found, an antidote.

Ayer's Ague Cure,

which neutralizes the malarious poison in the blood, and causes the liver to expel it from the body, and the system stands by its own strength, and recovers its health.

On Enrollments—Messrs. Gillis, Glenn, and Bush.

On the Library—Messrs. Wm. Anthony, DeHaven, and Glenn.

On Public Offices—Messrs. Wm. Anthony, and Worthington.

REPORTS OF COMMITTEES.

Mr. WALTON—Geological Survey—Reported a H. R. resolution in relation to the Geological Survey, with a substitute for the same.

[The H. R. resolution appointed Dr. R. P. Peter to collect and superintend the printing of the maps, plates, &c., to accompany the 4th vol. of the Report of the Geological Survey. The substitute appoints S. S. Lyons, and provides for the publication of 3,000 copies of plates, &c., in pamphlet form, and appropriates \$150 to Mr. Lyons for preparing a map of the State, with notes, &c., for publication.]

After some debate, in which Messrs. WALTON, DeHAVEN, and GROVER took part,

The resolution and substitute were referred to the Finance committee.

Mr. GOODLOE—Proposition and Grievances—A bill for the benefit of W. S. D. Megowan, late sheriff of Jefferson county, and his securities.

Mr. GROVER opposed the bill briefly.

Mr. GOODLOE explained and advocated the passage of the bill.

The bill was then passed by yeas 15, nays 8.

SPECIAL ORDER FOR 11 O'CLOCK.

Mr. DeHAVEN—Finance—Reported, under instructions to report at this hour, a H. R. bill to fix the compensation of assessors for listing births, marriages and deaths, with a substitute for the bill.

[The substitute provides for paying S. M. Bemiss \$700 for his services as Registrar in 1860, and allows 2 cents per list to assessors for 1860 and 1861, and repeals all of the registration laws.]

Mr. ROBINSON moved to amend the substitute by striking out 2 cents to assessors, and insert 10 cents, that being the amount fixed in the published law under which the assessors acted. Although the law had not been constitutionally passed, and the 10 cents was a mistake in enrolling the bill, he thought that the assessors, having acted under it, believing it to be a law, it was a contract, and he thought they should be paid as an act of justice.

Mr. DeHAVEN opposed the amendment to the substitute.

The amendment was then rejected.

Mr. WALTON opposed the substitute of the committee.

Mr. WALTON moved that the 3rd section of the substitute, which repeals the registration laws, be stricken out.

Mr. ROBINSON addressed the Senate in opposition to a repeal of the registration law at considerable length.

Mr. CHILES moved that the consideration of this bill be postponed until to-morrow at 11 o'clock; carried.

A MESSAGE FROM THE HOUSE.

Was received by Mr. LYNE, Assistant Clerk, announcing that they had received official information from the Governor that he had approved and signed several bills which originated in that House.

REPORTS OF COMMITTEES.

Mr. GOODLOE—Propositions and Grievances—A H. R. bill to alter the line between Allen and Warren counties.

Mr. ALEXANDER moved that the bill be laid on the table.

Before any action, the hour arrived for the orders of the day.

ORDER—H. R. BILLS TAKEN UP.

An act to incorporate Breckenridge and Logan

petroleum mining and manufacturing companies; referred to the Judiciary committee.

An act for the benefit of the clerk of the Circuit court; passed.

An act for the benefit of the personal representatives of R. F. Samuels, deceased; passed.

An act to amend the 23 section, of chapter 34, of Revised Statutes, concerning roads and passways; referred to committee on Revised Statutes.

An act for the benefit of the marshal of the town of Owenton; passed.

An act for the benefit of W. S. Gibbs, late sheriff of Hancock county, and the late sheriffs of Carter and Pulaski counties.

Amended by adding the names of T. Atkinson, late sheriff of Breckinridge, and W. T. V. Bradford, late sheriff of Scott, and passed.

An act to amend an act to establish a ferry across the Ohio river at the town of Milton; passed.

An act repealing sec. 6, of chapter 73, Revised Statutes, and providing for allowances to physicians for medical attention to poor and indigent persons; referred to the committee on Revised Statutes.

An act to amend an act to incorporate the Pilots Benevolent and Relief Association; passed.

An act to amend an act, entitled, an act supplemental to an act to raise volunteer forces to repel the invasion of the State, and for other purposes.

Said bill is as follows, viz:

Whereas, Officers of a rank less than a Colonel were, as early as the 24th of September last, mustered into the service of the United States for three years as Kentucky volunteers, and have continued in active service ever since; and whereas,

It is enacted by the General Assembly of the Commonwealth of Kentucky, That when said officers are united with other volunteers to make up a regiment they shall not be deprived of the rank they now have by virtue of a mustering into the service of the United States.

The bill was explained and advocated by Messrs. McHENRY and SPEED briefly.

Mr. ROBINSON favored the reference of the bill to the committee on Military Affairs.

He doubted the propriety of the passage of the bill.

Mr. GOODLOE replied to Mr. ROBINSON, and advocated the passage of the bill.

Mr. T. F. MARSHALL briefly replied to Mr. GOODLOE, and opposed the bill. He thought the principle in the bill a dangerous one, and would defeat the objects to be obtained by the consolidation of fragments of regiments.

Mr. SPEED briefly replied to Mr. MARSHALL, and urged the passage of the bill. He thought Mr. M. mistaken about the effect of the bill. It was only to enhance an isolated case and could not affect any others.

Mr. BAKER favored a reference of the bill to the Military committee, although he was inclined to favor it. It did not, however, go quite far enough, when it only enhanced officers of lower rank than Colonel.

There were cases in his knowledge where injustice was done to Colonels who have commissions from the General Government, and who are deprived of their commands by the consolidation of fractions of regiments.

Mr. BRUNER briefly advocated the passage of the bill. It was to affect one case of a major who has been in active service in Rousseau's Brigade, and has three companies, but owing to being in active service he could not recruit to fill up his battalion.

Mr. READ had been inclined to favor this bill when he first heard of this case, but his mind, since the discussion, had undergone a change, and thought there was a constitutional barrier to its passage. He thought, if passed, it would work evil, and was in politics to throw open such a door for numerous other applications for similar legislation.

Mr. McHENRY replied to Messrs. READ, MARSHALL and ROBINSON, and urged the passage of the bill at considerable length. The bill was right in principle, but it was only intended to affect the isolated case of Major Pirtle, of Rousseau's Brigade, and there was a difference between the cases alluded to by Mr. BAKER and this case. Major Pirtle has received nothing from the State but had raised his companies of men under a commission from the General Government, and had been paid and subsisted by the General Government and not by the State, and he contended that the State Military Board could not and would not correct Major Pirtle unless this act passes.

Mr. ROBINSON replied to Mr. McHENRY, and again contended that the principle of the bill was wrong and unconstitutional; it would put Major Pirtle over men who had the right to elect their own officers up to Colonel, and who would, by this act, be deprived of that constitutional and legal privilege by placing him over them without an election by them, as he has less than half a regiment, and there would be a large majority of the regiment with which his men would be consolidated, who would not be privileged to vote. He thought it a sacrifice of a sacred right to require this of volunteer soldiers.

Mr. GOODLOE, since hearing all the arguments on this bill, thought the State Legislature had no control over this matter. He thought the bill would amount to nothing.

All objection being withdrawn, the bill was referred to the Military committee.

And then the Senate adjourned.

HOUSE OF REPRESENTATIVES.

Thursday, Dec. 3, 1861.

Prayer by the Rev. J. N. Norton of the Episcopal church.

The journal of yesterday was read.

PRAYERS.

Were presented by Messrs. RICKETTS and TEVIS, and appropriately referred.

RESOLUTIONS.

Mr. BURNAM offered the following resolutions, which were referred to the committee on Military Affairs, viz:

The attention of this Legislature having been called to the following passage in the recent message of President Lincoln to the Congress of the United States:

"I deem it of importance that the total regions of Eastern Tennessee and Western North Carolina should be connected with Kentucky and other faithful parts of the Union, by railroad."

I therefore recommend, as a military measure, that Congress provide for the construction of such a road as speedily as possible. Kentucky will, no doubt, co-operate, and, through her Legislature, make the most judicious selection of the line. The northern terminus must connect with some existing railroad, and whether the route shall be from Lexington or Nicholasville to Cumberland Gap, or from Lebanon to the Tennessee line, in the direction of Knoxville, or some still different line, can easily be determined. Kentucky and the General Government co-operating, the work can be completed in a very short time, and when done, it will be only one of vast present usefulness, but also an available permanent improvement, worth its cost in all the future."

And deeming it proper to express an early and emphatic endorsement of the recommendation, therefore,

It is resolved by the General Assembly of the Commonwealth of Kentucky, That this General Assembly do most cordially approve the recommendation of the President of the United States to Congress for the construction of a railroad from some northern terminus in Kentucky to the State of Tennessee, and to unite with said

brotherhood of East Tennessee and Western North Carolina; that we endorse the statement in the message fully "that said work when done will be not only of vast present usefulness, but also an available permanent improvement, worth its cost in all the future."

Resolved, That this Legislature will co-operate with the General Government in the selection of the line of said road, and in preparations for its speedy completion by all suitable enactments necessary to the accomplishment of the great and proposed end.

Resolved, That a copy of these resolutions be transmitted by the Governor of this Commonwealth to the President of the United States, to be by him laid before Congress; and that our Representatives in Congress be requested to urge upon Congress the speedy passage of a law carrying out the recommendation of the President.

BILLS REPORTED.

Saine—For the benefit of the Kentucky soldiers in the Federal army: ordered to be printed, and made special order for Thursday, 12th inst, at 11 o'clock.

AUDITOR OF PUBLIC ACCOUNTS.

The Speaker laid before the House a condensed report of the Auditor of Public Accounts, which was referred to the committee on Ways and Means.

RESOLUTION.

Mr. ALLEN offered the following resolution, which was adopted, viz:

Resolved, That the committee on the Library be instructed to report what additional legislation is necessary to have the public books and documents distributed to the different counties of this State, and report by bill or otherwise at 10 o'clock to-morrow.

SPECIAL ORDER.

The House then went into committee of the whole, Mr. HUSTON in the chair, and took up the bill to establish a conventional rate of interest.

Said bill reads as follows:

1. Be it enacted by the General Assembly of the Commonwealth of Kentucky, That the parties to any bond, bill, promissory note, or other instrument of writing for the payment or forbearance of money, may stipulate therein for interest receivable upon the amount of such bond, bill, promissory note, or other instrument, at any rate not exceeding ten per centum per annum. Provided, however, That no incorporated banking institution of this State shall be entitled to receive more than the rate of interest specified in its charter, or if no rate be specified, more than six per cent, yearly upon any loan or discount whatsoever.

2. That upon all judgments or decrees rendered upon any bond, bill, promissory note, or other instrument aforesaid, interest shall be computed at the rate specified in such bond, bill, note, or other instrument, not exceeding ten per centum, as at present, or, in case no rate of interest is specified, at six per centum yearly.

Mr. VANWINKLE offered the following amendments, viz:

Strike out the word "ten," in the 1st section, and insert "eight."

Amend section 2d by striking out the word "ten," and inserting "eight."

Add the following additional sections:

3. That if any person shall stipulate for a greater rate of interest, for the loan or forbearance of money, than that authorized by the 1st section of this act, he shall forfeit to the debtor the whole sum secured by such usurious contract.

4. That if any person shall, under any pretext whatever, receive or collect a greater rate of interest than that authorized by said section, shall forfeit to the persons paying the same, the whole sum so collected, who may sue for and recover the same at any time within five years.

After some discussion, and before any vote was taken upon the amendments, the committee rose, reported progress, and had leave to sit again.

An English colony have settled on Mount Ararat, and actually established a newspaper called the Ararat Advertiser. Only think how different would now be the state of affairs in the world if Noah, when he was there with his Ark, had started a newspaper. He might have filled column after column with the lists of the drowned—would never have looked for marine disasters.

A SLAVE CONVICTED—In the United States Circuit Court at Boston on the 29th, Samuel P. Skinner, of New Bedford, convicted of fitting out the ship Margaret Scott for a slave, was sentenced to pay a fine of \$1,000 and confinement in the Taunton jail for five years.

ATTENTION TAX PAYERS!

THE attention of Tax payers of Franklin county is respectfully called to the following circular:

TO THE SHERIFFS OF KENTUCKY. The condition of the Treasury makes it necessary, for the purpose of carrying on the Government, that the revenue should be paid into the Treasury as early as possible, and that payments should be made whenever an amount sufficient to justify shall have been collected. I therefore most earnestly call upon the sheriffs of the State to use every exertion in their power to collect and pay in the revenue of their respective counties at the earliest possible day, that the credit of the State may not suffer for the want of means to pay off just claims against it. It would be a source of regret to me to take judgment against any of the sheriffs, but my duty will require me to enforce the law against any sheriff who fails to pay in the revenue by the time fixed by law.

GRANT GREEN, Auditor. Auditor's Office, Ky., Frankfort, Sept. 12, 1861.

For the purpose of collecting the taxes for the present year, as well as balances due for 1860 and 1861, the undersigned must urge tax payers to be ready when called on, or we will be compelled to enforce the law for collection of taxes. Longer indulgence will not be given.
